

Induction of automatic and shuttleless looms

	No of looms (In lakh)			Investments (Rs. in crore)			Subsidy for 5 years
	Auto	Shuttleless	Total	Auto	Shuttleless	Total	
Estimated requirement of loom @ 12% growth in Fabric production	0.985	0.889	1.874	1231.25	13327.65	14558.90	2911.78
Out of 187351 looms to be added it is expected that only 30% of loom may avail the benefit through 20% CLCS. In that case the subsidy for 5 years amounts to be	0.295	0.266	0.562	369.38	3998.30	4367.67	873.53
