

**Appendix - B**

**(i) Composition and Terms of Reference of Sub-Group  
on Textiles and Apparel Industry**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p>1. <b>Joint Secretary (SR)—Chairman</b> 2. <b>Textile Commissioner—Co-Chairman</b></p> <p><b>Members</b></p> <p>3. Joint Secretary (Exports) / Director (Exports) 4. Representative of Ministry of Agriculture(Cotton) 5. Economic Advisor / Deputy Economic Advisor, Ministry of Textiles 6. Chairman, Confederation of Textile Industries (CITI) 7. Chairman, Federation of Indian Textile Engineering Industry (FITEI) 8. Representative from Small Scale Industrial Development Bank of India (TUFS) 9. Representative from Industrial Development Bank of India (TUFS) 10. President, Northern India Textile Mills' Association (NITMA) 11. Chairman, South India Mills Association (SIMA) 12. Chairman, Federation of Indian Art Silk Weaving Industry(FIASWI) 13. Director General, National Institute of Fashion Technology (NIFT) 14. President, Textile Association of India 15. Association of Man-made Fibre Industry of India (AMFI), 16. President, Ahmedabad Textile Processors' Association (ATPA) 17. Director, NITRA 18. Director, SITRA 19. Chairman, AEPC 20. Chairman, TEXPROCIL 21. Chairman, SRTEPC 22. <b>Joint Textile Commissioner (Economics) — Member Secretary.</b></p>	<p>1. To examine the current status of the textile and apparel industry (excluding HL, PL, HC and Sericulture) including their raw materials in India in the global context and the impact of liberalization on such segments of the Indian textile industry, especially the threats and opportunities in the post quota regime.</p> <p>2. To review the likely achievements of levels of demand, capacity, production, exports etc. by the end of 2006-2007, in relation to the targets fixed for the Tenth Five Year Plan and to analyze the deviations, if any, and to suggest appropriate actions for future.</p> <p>3. To suggest ways and means to increase the availability of and access to cloth to the poorer sections of the population and to increase per capita fibre consumption in the country.</p> <p>4. To project the targets of cotton, and man-made fibre and yarn and cloth thereof for local consumption and exports and its break-up, under cotton, man-made in 2007-12 and the likely demand in 2017.</p> <p>5. To review the existing programmes/schemes implemented during the 10<sup>th</sup> plan in terms of achievements of physical and financial targets, outcomes, and to suggest strategy and action plan, in terms of their continuity and modification in the next plan</p> <p>6. To estimate the level of exports of textile and clothing during 2007-12 taking into account the past performance, present trends, pattern of world trade and globalisation of textile trade.</p> <p>7. To suggest ways and means including export promotion measures for increasing India's share in global trade commensurate with its inherent strengths and potential.</p>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<ol style="list-style-type: none"> <li data-bbox="699 268 1360 472">8. To examine the mechanisms to improve and integrate various segments in the total value chain for the manufacturing sector viz, ginning and pressing, spinning, knitting, weaving, processing and garmenting so as to suggest strategy for their harmonious development.</li> <li data-bbox="699 478 1360 611">9. To examine the availability of raw materials for the textile and apparel industry and suggest suitable measures for augmentation thereof, keeping in view of the assessed requirement.</li> <li data-bbox="699 617 1360 779">10. To arrive at realistic estimates of production in the organized sector and the decentralised sectors, sector-wise and variety-wise, keeping in view the basic principle for providing employment to the masses.</li> <li data-bbox="699 785 1360 989">11. Benchmarking of various segments of the domestic industry in terms of technology, productivity, quality, labour standards and labour productivity against the global standards, and suggest ways and means to make all segments of the domestic industry internationally competitive.</li> <li data-bbox="699 995 1360 1199">12. To assess the status of the R&amp;D programmes and suggest ways to strengthen the programmes for proper utilization of the results by the industry and to examine and redefine the role of the Textile Research Associations and Technical Institutions.</li> <li data-bbox="699 1205 1360 1337">13. To formulate targeted and time-bound Schemes for the weak segments of the textile industry to make them internationally quality and cost competitive.</li> <li data-bbox="699 1344 1360 1436">14. To suggest institutional and operational mechanisms to achieve objectives as enunciated in National Textile Policy – 2000.</li> <li data-bbox="699 1442 1360 1604">15. To recommend a road map for growth oriented duty structure and to suggest appropriate time-frames for other policy issues enunciated in the NTxP-2000, viz., review of hank yarn obligation scheme etc.</li> <li data-bbox="699 1610 1360 1743">16. To suggest methods by which rationalization of labour could be accomplished, so as to achieve maximum labour productivity through scientific workload.</li> <li data-bbox="699 1749 1360 1812">17. To formulate a road map of labour-reforms in textile sector</li> </ol>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<ol style="list-style-type: none"> <li data-bbox="699 275 1360 436">18. To estimate the financial requirements of the textile and apparel industry to achieve a potential size of \$85 billion as per Industry's vision, 2010 and suggest ways for mobilization of resources in the private, public and co-operative sectors.</li> <li data-bbox="699 443 1360 604">19. To assess the indigenous machinery manufacturing capabilities and their technological status and suggest appropriate methods for the development of the textile machinery as per needs of the textile industry.</li> <li data-bbox="699 611 1360 848">20. To review the effectiveness of Technology Upgradation Fund Scheme in terms of demand, upgradation of technology, on the basis of evaluation launched and suggest modifications, wherever necessary including assured funding mechanisms and mechanism for periodic monitoring of the scheme.</li> <li data-bbox="699 854 1360 1016">21. To review status of Technology Mission on Cotton and suggest measures for making the scheme more cost effective and beneficial to the farmer community, ginning and pressing industry.</li> <li data-bbox="699 1022 1360 1163">22. As processing is one of the weakest link in the textile chain, to examine the status of the processing industry and suggest measure for its development.</li> <li data-bbox="699 1169 1360 1226">23. to review the scheme for Integrated park and suggest improvements if any</li> <li data-bbox="699 1232 1360 1394">24. To examine the existing system of compilation of data in respect of textile industry and suggest ways and means for generation, maintenance and strengthening of database, particularly in respect of the decentralised sectors.</li> <li data-bbox="699 1400 1360 1499">25. To examine the status of HRD in different sectors of the industry and suggest ways and means for upgradation thereof.</li> <li data-bbox="699 1505 1360 1646">26. To suggest measures for integration of information technology, automation, networking for improving over all productivity and quality of products.</li> <li data-bbox="699 1652 1360 1709">27. To make such other recommendations as may be appropriate.</li> </ol>

**Appendix – B (Contd.)**

**(ii) Composition and Terms of Reference of Sub-Group on Powerlooms**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p>1. <b>Textile Commissioner – Chairman</b></p> <p><b>Members</b></p> <p>2. Joint Secretary (Powerloom), MOT</p> <p>3. Director (Powerloom), MoT</p> <p>4. Representative of Planning Commission</p> <p>5. Secretary (Textiles), Maharashtra</p> <p>6. Secretary (Textiles), Tamil Nadu</p> <p>7. Secretary (Textiles), Uttar Pradesh</p> <p>8. Secretary (Textiles), Gujarat</p> <p>9. Director, SASMIRA, Mumbai</p> <p>10. Chairman, FIASWI, Mumbai</p> <p>11. Chairman, Confederation of Indian Weaving Industries, Tamil Nadu</p> <p>12. Chairman, PDEXCIL, Mumbai</p> <p>13. Chairman, Textile Machinery Manufacturers Association (TMMA), Mumbai</p> <p>14. <b>Addl. Textile Commissioner – Member Secretary.</b></p>	<p>1. To review efficacy of ongoing schemes and examine the need for their continuation/modification. To suggest measures for continuous monitoring and examination of schemes.</p> <p>2. To suggest the modalities of modernisation of the decentralised powerloom sector. This should primarily envisage the replacement of the existing drop-box and shuttle looms by shuttleless looms, and also encourage the entry of new entrepreneurs into the sector who will use current technology. This will ensure the continued competitiveness of the Powerloom Sector in the global context.</p> <p>3. The requirement of funds for such replacement should be assessed and incentives to be offered to the decentralised sector be recommended. The thrust and focus should be to modernise the sector and the working group can suggest measures necessary for this endeavour. Powerloom clusters can be developed to remove the current regional imbalance in the country. The scheme-wise/year-wise fund requirement may also be worked out.</p> <p>4. To formulate a strategy for easy access to the loans from various financial institutions for the sector. The workable strategy should include minimum formalities for getting bank loans by powerloom weavers. The Powerloom sector deserves to be assigned a high priority in the lending sector.</p> <p>5. To suggest the measures and strategy to ensure market access to powerloom products in the processing, garment and export sectors.</p> <p>6. To suggest design development strategies for the sector by creating computer aided design centres, through diversification, and networking with the institutes of national repute.</p>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<ol style="list-style-type: none"> <li data-bbox="699 287 1360 386">7. To review and recommend the measures for the development of the training infrastructure as per the requirement of the powerloom sector.</li> <li data-bbox="699 394 1360 493">8. To formulate a mechanism to achieve the objectives of the National Textile Policy with regard to cluster development and testing facilities.</li> <li data-bbox="699 501 1360 705">9. To suggest the welfare schemes, in addition to existing schemes. These should include the security of equipment and looms affected during calamities. Insurance policies should address the issues relating to machinery and the health of the weavers.</li> <li data-bbox="699 714 1360 812">10. To project year wise growth in production and the demand of powerloom products and fibre wise requirement.</li> <li data-bbox="699 821 1360 890">11. To make any other recommendation as may be appropriate.</li> </ol>

**Appendix – B (Contd.)**

**(iii) Composition and Terms of Reference of Sub-Group on Wool & Woollen**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p>1. <b>Textile Commissioner - Chairman</b></p> <p><b>Members</b></p> <ol style="list-style-type: none"><li>2. JS(Wool), Ministry of Textiles</li><li>3. Representative of Planning Commission (VSI Divn)</li><li>4. Representative from D/o Animal Husbandry</li><li>5. ED, CWDB</li><li>6. President, IWMF</li><li>7. Representative from Shawl Club Ludhiana</li><li>8. Director, Wool Research Asscn., Thane</li><li>9. Representative from Wool Mark Company</li><li>10. Chairman/ED of W&amp;WEPC</li><li>11. Chairman/ED of WOOLTEXPRO</li><li>12. Chairman, Carpet Export Promotion Council</li><li>13. Chairman, All India Carpet Manufacturers Asscn Bhadohi</li><li>14. President, Ludhiana Spinners Asscn</li><li>15. President, Knitwear Club Ludhiana</li><li>16. <b>Addl. Textile Commissioner - Member Secretary.</b></li></ol>	<ol style="list-style-type: none"><li>1. To examine the current status of woollen industry in India in the global context and the impact of liberalization on the Indian woollen industry especially the impact of abolition of quotas;</li><li>2. To review the likely achievement in the levels of demand, capacity, production etc. in the woollen industry by the end of 2006-07 in relation to the targets fixed for the 10th Five Year Plan and to analyse the variations, if any, and to suggest appropriate remedial action for future;</li><li>3. To assess the requirements of woollen yarn and woollen cloth for local consumption and exports in 2011-12, the concluding year of the 11th Five Year Plan;</li><li>4. To suggest ways and means for increasing the availability and access of woollen clothes to all sections of the population and to increase per capita wool fibre consumption in the country;</li><li>5. To suggest ways and means for enlarging the scope of productive employment in the various sectors of woollen industry;</li><li>6. Benchmark the various segments of the woollen industry against the global standards and suggest ways and means to make all sections of woollen industry internationally competitive;</li><li>7. To suggest measures for integration of information technology, automation networking for improving overall productivity and quality of woollen products;</li><li>8. To suggest preliminary modalities for launching of a Technology Mission on Wool and suggesting if and whether more than one Mini Mission would be necessary to achieve the objective;</li><li>9. Suggesting programmes and schemes for establishing mechanized primary processing facilities and also post loom facilities such as dyeing and finishing;</li></ol>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<p>10. An analysis of the prevailing conditions of primary raw wool producers, reasons for fall in their number as also in the number of sheep in some of the States and suggest remedial measures;</p> <p>11. To suggest measures for utilizing modern blending techniques to blend wool fibre with other man-made and natural fibres so as to maintain and increase the level of consumption of wool within the country and abroad.</p>

**Appendix – B (Contd.)**

**(iv) Composition and Terms of Reference of Sub-Group on Handlooms**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p>1. <b>Development Commissioner (Handlooms)- Chairman</b></p> <p><b>Members</b></p> <p>2. Representative of Planning Commission (VSI Division)</p> <p>3. Chief Executive Officer, KVIC, Mumbai</p> <p>4. Secretary, Industries &amp; Commerce Deptt., Govt. of Andhra Pradesh</p> <p>5. Secretary, Handlooms, Government of Uttar Pradesh</p> <p>6. Secretary, Handlooms, Government of Orissa</p> <p>7. Secretary, Handlooms, Government of Assam</p> <p>8. Secretary, Handlooms, Government of Tamilnadu</p> <p>9. Secretary, Handlooms, Government of Madhya Pradesh</p> <p>10. Secretary, Handlooms, Government of Kerala</p> <p>11. Textile Commissioner, Mumbai</p> <p>12. ED, Central Wool Development Board</p> <p>13. Member Secretary, Central Silk Board</p> <p>14. Director General, NIFT</p> <p>15. Managing Director, NHDC, Lucknow</p> <p>16. Managing Director, Co-optex, Tamilnadu</p> <p>17. ED, NABARD, Mumbai</p> <p>18. Director, IFW, Ministry of Textiles</p> <p>19. Deputy Economic Adviser, Ministry of Textiles</p> <p>20. <b>Additional Development Commissioner - Member Secretary</b></p>	<p>To examine economically viable needs of the handloom weavers in terms of improved looms, training, awareness etc. and to develop a strong, competitive and vibrant handloom sector for providing sustainable employment for economic development of the nation.</p> <p>I) To examine critically the policies, schemes and programmes in respect of handloom sector with specific reference to achievements in terms of coverage, production, employment and improvement in socio-economic status of handloom weavers during the 10<sup>th</sup> Plan.</p> <p>II) To analyze overall emerging scenario of handloom sector by the terminal year of the 10<sup>th</sup> Plan i.e. 2006-2007.</p> <p>III) To work out detailed requirement of the handloom sector in the 11<sup>th</sup> Plan and to suggest policy framework for its development in the light of changing economic and technological scenario and consumption trend and also by taking into account the socio-economic objectives and special needs of this sector.</p> <p>In carrying out this exercise, the sub-group will focus on the following aspects:</p> <ul style="list-style-type: none"><li>• To review the efficacy of on-going schemes critically and examine the need for their continuation/modification, re-assessing/re-vamping the ongoing schemes to focus on undeserved states, merger of micro schemes into integrated schemes, improving the delivery mechanism etc. and to finalise the Eleventh Plan outlay for the handloom sector.</li><li>• To put in place a system of monitoring and evaluation and creation of a strong data base for the handloom sector.</li><li>• To examine the current status of the handloom industry in India in the global context and the strategy to be adopted in the post Multi Fibre Agreement phase.</li><li>• To assess the role of the Textile Research Associations (TRAs) and suggest ways for strengthening the R&amp;D Programmes to bring about synergy between the handloom sector and TRAs.</li></ul>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<ul style="list-style-type: none"> <li>• To strengthen the supply of yarn and other core inputs at concessional rates by adopting cost disadvantage mitigation strategy.</li> <li>• To provide credit at concessional rates for Upgradation of technology, production processes and marketing activities.</li> <li>• To undertake technology Upgradation for handlooms which will incorporate elements of loom technology and pre and post-loom processes.</li> <li>• To develop a strong brand driven market for handloom products by way of introduction of Handloom Mark.</li> <li>• To undertake an integrated approach to strengthen aspects of the business cycle such as market information, raw material supply, design, merchandising, market development, production and inventory management, supply chain systems etc. by focusing on handloom clusters. An integrated approach for development of handlooms on the cluster basis needs will be emphasized with convergence of resources/schemes from other Ministries and Departments of Central Government, State Government, District Rural Development Agencies and other Bodies.</li> <li>• To estimate the level of exports of textile during 2011-12, by taking into account the past performance, present trends, pattern of world trade and globalization of textile trade, etc. and to finalize the strategy for the handloom sector product-wise and market-wise for overseas market.</li> <li>• To synergize the efforts of State and Central Governments for better strategies/schemes for upliftment of the handloom sector.</li> <li>• To make State Specific plans for development of handlooms keeping in view the weavers and product profile of the State.</li> <li>• To assess the needs of welfare packages for the handloom weavers.</li> <li>• To chalk out marketing strategy for promotion and sale of handloom products.</li> </ul>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<ul style="list-style-type: none"><li data-bbox="833 279 1487 548">• To collect quantitative as well as qualitative information about weavers, like detailing the number of weavers, number of persons engaged in pre and post-loom ancillary activities, earnings, production relations and social aspects so as to evolve specific strategies for the specific needs of the weavers and also for specific groups of weavers like SCs, STs, women and minorities.</li></ul>

**Appendix – B (Contd.)**

**(v) Composition and Terms of Reference of Sub-Group on Handicrafts**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p><b>1. DC(H) Chairperson – Chairman</b></p> <p><b>Members</b></p> <p>2. Adviser (VSE), Planning Commission</p> <p>3. Joint Secretary, Ministry of Rural Development</p> <p>4. Joint Secretary, Ministry of SSI &amp; ARI</p> <p>5. DG, NIFT</p> <p>6. ED, NID</p> <p>7. Representative of NABARD, SIDBI, CAPART</p> <p>8. Chairman, CEPC</p> <p>9. Chairman, EPCH</p> <p>10. MD, NEHHDC</p> <p>11. MD, CCIC</p> <p>12. MD, HHEC</p> <p>13. Director (Handicrafts), Govt. of J&amp;K, Kerala, Orissa, MP</p> <p>14. MD, State Handicrafts Development Corporation of Rajasthan, Gujarat, UP, Andhra Pradesh &amp; Chattisgarh</p> <p>15. Representatives of Dastkar, New Delhi; Craft Council of India, Chennai; Small Industries Product Promotion Organisation (SIPPO), Chennai &amp; DRDA, Narsapur.</p> <p><b>16. Addl. Development Commissioner (Handicrafts) – Member Secretary</b></p>	<p>1. To examine the current status of the handicraft sector in India in the global context and assess its strengths and weaknesses for appropriate measures for enlarging the scope of productive employment, keeping in view the objectives of balanced regional development, poverty alleviation and equitable distribution of economic benefits.</p> <p>2. To review the likely achievement of levels of demand, capacity, production, etc. by the end of 2006-2007, in relation to the targets fixed for the 10<sup>th</sup> Five Year Plan and to analyse the deviations, if any, and to suggest appropriate actions for future.</p> <p>3. To suggest measures/new initiatives to taken for removing bottlenecks in the physical infrastructure.</p> <p>4. To suggest ways and means for enhancing availability of raw materials institutional finance and other essential inputs in the handicrafts sector.</p> <p>5. To suggest measures/new initiative to be taken for increasing the market share of Indian handicrafts in the global market.</p> <p>6. To suggest measures for establishing and strengthening synergies with the State Governments and other agencies for better implementation of the plan schemes.</p> <p>7. To suggest a policy framework for the planned development of this sector during the five year plan period with reference to:-</p> <ul style="list-style-type: none"><li>i) Overall objectives.</li><li>ii) Physical and financial outlays.</li><li>iii) Organizational framework at National, State and local levels and the roles of the Central Governments and voluntary agencies, and including the role of private business.</li><li>iv) Any other criteria of importance in the overall policy context.</li></ul> <p>8. Review of the efficacy of on-going schemes and examine the need fir their continuation/modification. This would include scope and coverage of the schemes especially for reassessing/revamping the schemes to focus on undeserved states, merger of micro schemes into integrated schemes, improving the delivery mechanism etc. Putting in place a system of monitoring and evaluation and creation of a strong database also to be considered.</p>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<p data-bbox="821 302 1485 468">9. To assess the role of the TRAs/Institutions working in the Handicrafts Sector and suggest ways for strengthening the R&amp;D programmes to bring about synergy between the industry and the TRAs.</p> <p data-bbox="821 478 1485 644">10. To suggest incorporation of new component in the existing schemes or formulation of new plan schemes to meet the need and requirement and to propel growth in production employment and export.</p>

**Appendix – B (Contd.)**

**(vi) Composition and Terms of Reference of Sub-Group on Sericulture**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p>1. <b>Joint Secretary(Silk) Ministry of Textiles - Chairman</b></p> <p><b>Members</b></p> <p>2. Development Commissioner (Handloom) or his representative</p> <p>3. Representative of Planning Commission (VSI)</p> <p>4. Member Secretary, Central Silk Board</p> <p>5. Commissioner Sericulture Development and Director of Sericulture, Govt. of Karnataka.</p> <p>6. Director of Sericulture, Govt. of West Bengal</p> <p>7. Director General, Deptt of Sericulture, Govt. of J&amp;K.</p> <p>8. Director General, Deptt of Sericulture, Govt. of Assam.</p> <p>9. Director, Sericulture, Govt. of Jharkhand</p> <p>10. Addl. Commissioner(Technical), O/o TXC, Mumbai</p> <p>11. Representative from Bio-technology Centre, Indian Agriculture Research Institute, New Delhi.</p> <p>12. Representative of Indian Council of Forestry Research &amp; Education, (ICFRE), Dehradun</p> <p>13. Managing Director, NABARD or his Rep.</p> <p>14. Executive Director, ISEPC</p> <p>15. Director CSTRI, Central Silk Board, Bangalore</p> <p>16. Director(Finance), CSB Bangalore</p> <p>17. <b>Director (Technical), CSB Bangalore-Member Secretary</b></p>	<p>1. To review the efficacy of ongoing schemes and examine the need for their continuation/modification.</p> <p>2. To examine the existing monitoring and evaluation system and suggest improvements, if any.</p> <p>3. To examine the current status of the Sericulture and Silk Industry in India in the global context.</p> <p>4. To review the likely achievement of levels of demand, capacity, production etc. of the silk industry by the end of 2006-2007, in relation to the targets fixed for the 10th five year plan and to analyse the deviations, if any, and to suggest appropriate actions for future.</p> <p>5. To assess the requirements of silk yarn and silk cloth for local consumption and exports in 2011-12 the concluding year of the 11<sup>th</sup> Five year Plan.</p> <p>6. To examine the availability of raw materials for the silk industries and suggest suitable measures for optimum product mix, so as to achieve maximum benefits from the available resources.</p> <p>7. To arrive at realistic estimates of production of various varieties of silk keeping in view the basic principle for providing employment to the masses.</p> <p>8. To bench mark various segments of silk industry against the global industry and suggest ways and means to make all sections of silk industry internationally competitive.</p> <p>9. To suggest methods by which rationalization of labour could be accomplished in the silk industry so as to achieve maximum labour productivity through scientific work load.</p> <p>10. To estimate the financial requirements of the silk industry and suggest ways for mobilization of resources in the private, public and cooperative sectors.</p> <p>11. To review the availability of credit flow to sericulture sector and suggest measures to improve the same.</p> <p>12. To examine the role of the silk industry with regard to other sectors of the industry.</p>

<b>Chairman and Members</b>	<b>Terms of Reference</b>
	<p>13.To suggest ways and means to increase the availability and access of silk cloth to the poorer sections of the population and to increase per capita silk fibre consumption in the country.</p> <p>14.To suggest ways and means for enlarging the scope of productive employment in the various sectors of the silk industry, keeping in view the objectives of balanced regional development, poverty alleviation and equitable distribution of economic benefits.</p> <p>15.To review progress of measures taken for use of information Technology in the sericulture sector and suggest improvements, if any.</p> <p>16.To review progress of working of quality certification systems.</p> <p>17.To review the new Textile Policy concerning silk industry and recommend any additional measures that would enable Indian Silk Industry to play its due role in the global textile market.</p> <p>18.To make such other recommendations as may be appropriate.</p>

**Appendix – B (Contd.)**

**(vii) Composition and Terms of Reference of Sub-Group on Jute and Jute Textiles**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p>1. <b>Jute Commissioner, Kolkata – Chairman</b></p> <p><b>Members</b></p> <p>2. Advisor (Industry&amp;VSI), Planning Commission or his representative.</p> <p>3. Secretary, Jute Manufactures Development Council (JMDC) and Executive Director, National Centre for Jute Diversification (NCJD), Kolkata</p> <p>4. Principal, Institute of Jute Technology (IJT), Kolkata</p> <p>5. Director, Indian Jute Industries Research Association (IJIRA)</p> <p>6. Director, South India Textile Research Association (SITRA), Coimbatore.</p> <p>7. Director, Central Research Institute for Jute and Allied Fibres, (CRIJAF), West Bengal.</p> <p>8. Director, National Institute of Research on Jute &amp; Allied Fibre Technology (NIRJAFT), Kolkata</p> <p>9. CMD, Jute Corporation of India (JCI), Kolkata</p> <p>10. Director, Directorate of Jute Development, Ministry of Agriculture, Kolkata</p> <p>11. Chairman, Indian Jute Mills Association (IJMA), Kolkata</p> <p>12. Chairman, M/s Lagan Jute Machinery Co.Ltd., Kolkata</p> <p>13. President, Calcutta Jute Fabric Shippers' Association, Kolkata</p> <p>14. President, All India Jute and Exporters' Association, Kolkata</p> <p>15. Department of Production Engineering and Management, Indian Institute of Technology (IIT), Khargapur</p> <p>16. Director, National Rural Roads Development Agency</p> <p>17. <b>Director (Jute) Ministry of Textiles, New Delhi - Member Secretary.</b></p>	<p>1. To review the efficacy of the ongoing schemes being implemented by the Ministry of Textiles through its various organisations and their impact on the growth and development of jute industry.</p> <p>2. To examine the need for continuation/modification of existing schemes. This would include scope and coverage of schemes especially for reassessing/revamping the schemes to focus on undeserved states, merger of micro schemes into integrated schemes, improving the delivery mechanism etc. Putting in place a system of monitoring and evaluation, and creation of a strong data base may also be considered.</p> <p>3. To assess the role of the TRAs and other institutions like the IJIRA, SITRA and IJT for strengthening the R&amp;D programmes to bring about synergy between the industry and the TRAs.</p> <p>4. Based on the real assessment of current health of the jute industry to suggest suitable measures to make the jute industry competitive in the international and domestic markets. This will include review of export scenario and identification of measures to enhance competitiveness of Indian jute products in the international markets.</p> <p>5. To review and monitor the implementation of policies and programmes outlined in the National Jute Policy, 2005 and devise further measures necessary for realizing the objectives enshrined in the said policy.</p> <p>6. To review the existing system of controls and regulations in the jute sector, and suggest changes, wherever, necessary for promoting productivity and encouraging growth in all the sub-sectors of the jute sector.</p> <p>7. To evolve a comprehensive strategy for developing human resources in all activities in jute sector including production technologies, designs, marketing skills and information technology.</p> <p>8. To review the measures taken so far for tackling sickness in the jute industry and to make suggestions for improving the economic viability of the industry.</p>

**Appendix – B (Contd.)**

**(viii) Composition and Terms of Reference of Sub-Group on Technical Textiles**

<b>Chairman and Members</b>	<b>Terms of Reference</b>
<p>1. <b>Textile Commissioner – Chairman</b></p> <p><b>Members</b></p> <p>2. Jute Commissioner, Kolkata</p> <p>3. Director (A&amp;MMT), Ministry of Textiles</p> <p>4.
