**Minutes of the 13<sup>th</sup> meeting of the Internal Technical Committee under Amended Technology Up gradation Fund Scheme (ATUFS) held on 15-12-2020**

The 13<sup>th</sup> meeting of the Internal Technical Committee under Amended Technology Up gradation Fund Scheme (ATUFS) was convened on 15-12-2020 at 11.30 AM under the Chairmanship of Shri S.P.Verma, Joint Textile Commissioner in his cabin in the Office of the Textile Commissioner, Mumbai. The list of participants is placed below at Annexure-I. The agenda points which were discussed and decisions taken thereof are as under

**Agenda No. 1: Confirmation of the minutes of 12<sup>th</sup> Internal Technical Committee Meeting.**

**Decision Taken:** The Committee confirmed the minutes of the 12<sup>th</sup> Internal Technical Committee Meeting unanimously

**Agenda No. 2: Verification and recommendation of 27 proposals for enlistment of Machinery Manufacturers/ Authorized Agents under ATUFS as per Para no. of 3.4 of Revised Resolution of ATUFS dated 02.08.2018 and subsequent order No. 6/5/2015-TUFS dated 06.08.2019.**

**Decision Taken :** The list of 27 proposals (Abroad - 16, Indigenous - 8 & Authorized agents - 3) received from Textile Machine Manufacturers/Authorized Agents for enlistment under ATUFS, were scrutinized by the Internal Technical Committee and 22 proposals (Abroad- 15 & Indigenous - 4 and Authorized Agent - 3) were recommended to the Textile Commissioner for her approval and uploading the same on this office website (Attached herewith as Annexure-II). In respect of 3 units, it was decided to verify their activities through online presentation (through webex) with the units and finalize their cases. It was also decided to call for the business license in respect one abroad unit. One indigenous unit was not recommended as it was not manufacturing benchmarked technology machines.

**Agenda No. 3: Clarification asked for by TUFS Cell on the eligibility of claims pertaining to units who have purchased machines from M/s. Fukuhara Industrial & Trading Co. Ltd which has been delisted now as they are traders and not a machinery manufacturer.**

M/s. Fukuhara Industrial & Trading Co. Ltd was enlisted at Sr. No. 73 (Annexure-II) {By Expert Committee}. Later on it was observed that M/s. Fukuhara Industrial & Trading Co. Ltd is a trader and not a machinery manufacturer. Accordingly, it was proposed to delist the name of M/s. Fukuhara Industrial & Trading Co. Ltd from Annexure-II. In the meantime, TUFS Cell has now raised the query about the eligibility of claim pertaining to the units who have purchased machines from the said suppliers during RR TUFS and ATUFS period. The matter was taken up for discussion in the 8<sup>th</sup> ITC and the decision taken in reproduced below :

**Decision Taken in the 8<sup>th</sup> ITC meeting held on 18/8/2020 :** As per the 17th TAMC decision, the units enlisted in Annexure-II may submit the requisite documents within three months from the date

Na

of asking documents for restoration as per 4th IMSC decision, due to non functionality of the website of Office of Textile Commissioner thereby non accessibility of Circular No. 9 (2018-19 series) dated 27/03/2019. ITC is of the opinion that claims pertaining to the units who have purchased machines from the said suppliers during RR TUFS and ATUFS period may be considered. However the matter may be placed in the next TAMC meeting for further discussion / decision.

Decision Taken in the 18<sup>th</sup> TAMC meeting held on 9/10/2020 : The committee decided that the claims pertaining to the units who have purchased machines from M/s. Fukuhara Industrial and Trading Co. Ltd during RR TUFS and ATUFS period (Between the enlistment and delistment period under ATUFS) may be considered subject to the fulfillment of all other conditions laid down in guidelines under ATUFS.

Now M/s. Fukuhara Industrial and Trading Co have vide email dt. 5/11/2020 informed that they are the parent company administering the sales division of the entire Fukuhara Group. M/s. Precision Fukuhara Works Ltd and M/s. Fukuhara Needle Co. Ltd are two subsidiaries of M/s. Fukuhara Industrial and Trading Co who are involved in manufacturing relevant products. The application of M/s. Precision Fukuhara Works Ltd for enlistment under ATUFS is under process. The unit have now requested this office to guide them in the matter.

Decision Taken: The matter was discussed in detail and the committee decided to call for Balance Sheet and Memorandum of Association as proof of having their subsidiary units.

#### **Agenda No 4 : Request received from Powerloom Development Cell**

In the 15<sup>th</sup> TAMC meeting it was decided that in absence of manufacturer name on the machine and only the logo of manufacture is found on machine plate, the manufacturer should submit a note detailing their branding exercise, marketing practices and share their authentic logo. The internal Technical Committee (ITC) may then take a view on a case to case basis considering the explanation submitted by the manufacturer. Accordingly, Powerloom Development Cell have now submitted the clarifications received from M/s. Krishna Weaves, Surat for the consideration of ITC alongwith a note received from manufacturer detailing their branding exercise and a copy of the commercial invoice dt. 8/5/2015.

Decision Taken: The Internal Technical Committee is of the view that the decision taken in respect of ATUFS is also applicable on other TUFS cases subject to the manufacturer submitting the explanation and related documents as decided earlier.

**Additional Agenda No.1 : Clarification regarding admissibility of subsidy claim of Airjet Looms within sub-category of the segment under ATUFS. Request received from R.O.Navi Mumbai.**

R.O. Navi Mumbai have requested to take up the issue of admissibility of claims where there is an interchange in sub – category with respect to filed JIT request and machineries actually installed for the case where the JIT request has been submitted by the unit after 26/07/2019.

**Decision Taken :** Since the matter pertains to administrative procedure, it does not come under the purview of the Internal Technical Committee. As such the matter may be taken up by ATUFS cell in the forthcoming TAMC meeting.
