Date: 18.10.19

**PUBLIC NOTICE**

**Subject: For condoning delay in filing JIT request under ATUFS in iTUFS-reg**

Over the course of implementing ATUFS, numerous representations have been received from units for condoning delay in submission of UID application and JIT request for conducting inspection. The matter was placed in the 3<sup>rd</sup> meeting of the Inter Ministerial Steering Committee (IMSC) held on 27.02.2019. The IMSC decided that considering subsidy is met from public money, industry should adhere to the timeline prescribed in the guidelines and avoid approaching for condonation of timelines on account of flimsy reasons.

Additionally, the IMSC decided that reasons for delay in submission of JIT request beyond two years from term loan sanction should be ascertained before considering the case for condonation. For soliciting the aforesaid information, submission of JIT request on iTUFS portal has been enabled for 1,182 time barred units till 31.10.2019 midnight. The option to submit JIT request to the Regional Office will remain disabled till the time IMSC condones the same. **Filing of JIT request should not be construed by the unit as submission of actual claim under ATUFS.**
