Revised Restructured Technology Upgradation Fund Scheme (RRTUFS)
(01.04.2012 to 31.03.2017)

Circular No. 3
(2014-2015 series)

Sub : Revised Restructured Technology Upgradation Fund Scheme (RRTUFS).

As per Para 3.2 (3) of Part III of GR on RRTUFS, "a certificate from a Chartered Engineer of the exporting country certifying the vintage and residual life of the imported second hand machinery duly counter-signed by the Indian Embassy / Consulate in the exporting country must be furnished to the lending agency at the appropriate time as determined by the lending agency. Such a certificate is compulsory for any import of eligible second hand machinery under this scheme irrespective of the value of such import."

In this connection, representations were received regarding relaxing the norm of counter-sign of Chartered Engineer's Certificate by the Indian Embassy in respect of imported machineries prior to the issue of GR on RRTUFS.

In the 4th meeting of IMSC under RRTUFS, held on 4.9.2014, the IMSC decided that the provision in Para 3.2 (3) of Part III of GR on RRTUFS, will be applicable with prospective effect i.e. 4.10.2013 (date of issue of GR on RRTUFS)

This may please be brought to the notice of all concerned.
